Report: Workshop on Creating Large Scale POS Annotated Corpus for Kashmiri

(18th Dec 2012-04th Feb 2013)

The POS Annotation Workshop was organized by LDC-IL in collaboration with Department of Linguistics, University of Kashmir, Hazratbal, Srinagar

The workshop was conducted smoothly in Computational Lab. of the department and all the objectives were achieved. As planned earlier, 70K to 80K text corpus was annotated at POS level. The workshop was supervised and coordinated by Shahid Mushtaq Bhat, Lecture/RP, LDCIL. Prof. Nazir Ahmad Dhar, H.O.D was the local coordinator and he distributed the certificates among the participants.

Finally, a team from LDCIL- Mr. Venkateshan, Mr. Vadivel and Miss Atryee Sharma- visited to inspect and validate the ongoing work. They were satisfied with the quantum of work done during this brief period of time and also with the facilities extended by the department, especially the people from Computational Lab. In short, the workshop (first of this kind) was very fruitful not only for participants but also for LDCIL.
